STATEMENT OF THE OBJECT OF THE PETITION AND TEXT OF THE MEASURE
TO BE FILED WITH THE SECRETARY OF STATE

The Object of the Petition

The object of this petition is to reestablish certain Nebraska school districts, their boundaries and authority as they existed on November 30, 2005.

Title

For an act relating to schools, to reestablish certain dissolved school districts and to duly constitute each such district with the same boundaries, assets, liabilities, school board members, and all legal powers and financial authority, including budget authority and any funds attributable thereto, and to convey to each such district any additional assets which such district would have possessed if it had not been dissolved.

Text of the Measure

Be it enacted by the people of the State of Nebraska,

Section 1. Notwithstanding any order made by the State Committee for the Reorganization of School Districts, any court, or any other body, and notwithstanding any statutory provision to the contrary, every school district which existed on November 30, 2005, but was later dissolved, is hereby reestablished and duly constituted with the same boundaries, assets, liabilities, school board members, and all legal powers and financial authority, including budget authority and any funds attributable thereto, which such district possessed on November 30, 2005, and with any additional assets which such district would have subsequently possessed if it had not been dissolved. Any school district, public official, or person in possession or control, physical or legal, of any asset or assets which on June 14, 2006, were the property of any school district which was dissolved after November 30, 2005, and is reestablished by this section, and/or any assets which would have become the property of the dissolved school district after June 14, 2006 if the school district had not been dissolved, shall immediately convey those assets to the re-established school district.

Section 2. Section 1 of this act shall be assigned to chapter 79, article 4.
